INFORMATION PARTNERS

Many thanks to all visitors of our stand at PHARMATechExpo 2017.
We are glad that we were given such a wonderful chance to meet with our customers at this event, with whom we discussed already existing projects. In addition, an updated portfolio of our business partners was presented to the guests of our stand.
We look forward to the next meeting in the new year!

Mihaela Ermak, Business Development Manager, IMCoPharma a.s.

We have only positive impressions of participation in the exhibition. We plan to participate in the next year.

Denis Varavin, PE Datapharm

Feature of the exhibition, in my opinion, was a high organizational level. From the point of view of interest on the part of visitors, we can also characterize this exhibition as a positive.

Already during the exhibition, contracts were signed for the supply of equipment and we hope that this process will be developed in the near future.

Sukhomlinov Alexander Borisovich, Director of the company ShimUkraine LLC

State Enterprise Ukrainian Scientific pharmacopoeia Center for Quality of Medicines (GE "Pharmacopoeia Center") annually takes part in the International Exhibition of Equipment and Technologies for the Pharmaceutical Industry PHARMATECHEXPO. The organizers of the exhibition created a platform for discussing of topical issues and communication between specialists of different fields of activity - representatives of the pharmaceutical industry and control laboratories, teachers and students of medical and pharmaceutical specialties, foreign specialists.

Conferences, seminars and master classes organized within the framework of the exhibition and skillfully selected on topical issues, have aroused great interest among the participants. Specialists of the Pharmacopoeia Center as speakers at the scientific-practical conference "State Pharmacopoeia of Ukraine. Pharmacopoeial aspects of standardization and quality of drugs", acquainted visitors with the activities of the Pharmacopoeia Center, with the stages and prospects for the development of the State Pharmacopoeia of Ukraine. We are grateful to the organizers of the exhibition for the high level of organization, professionalism and efficiency.

Dmitrieva Marina Vasilievna, Scientific Secretary, Head of the Sector of the Professional Testing Program, Ukrainian Scientific Pharmacopoeia Center for the Quality of Medicines, SE

Thank you for organizing such events! Every year is interesting to visit the exhibition and see not in the picture, but in real life new items of machinery and equipment. Also always interesting to be a part of seminars and conferences that are held in the framework of the exhibition. I would like your exhibitions to be held constantly, because this is a great platform for free communication with colleagues from the pharmaceutical industry.

Lukyanchenko Darya Valerievna, Deputy Head of Quality Management Department, JV OPTIMA-PHARM, LTD

After the exhibition, there was a positive impression. We learned a lot of useful information, were satisfied with the presented assortment.

Chovnyk Irina Vladimirovna, Head of Pharma Cherkassy LLC

Organization Committee of the **VIII International Exhibition of equipment and technologies for the pharmaceutical industry PHARMATechExpo** would like to thank the partners, organizers of scientific and practical events, exhibitors, and attendees for their support and active involvement in organization and carrying out of our project despite the challenging times.

WE BELIEVE IN FUTURE TOGETHER!

WE KINDLY INVITE YOU TO VISIT AND PARTICIPATE IN THE
