THEMATIC DIRECTIONS

PHARMA EQUIPMENT – Production and nonproduction equipment

- Fermentation and chemical synthesis equipment
- Grinding, mixing and sieving equipment
- Concentration and purification equipment
- Drying equipment
- Equipment to produce ready-made forms
- Recycling equipment

PHARMA RAW – Raw materials and components

- Raw materials for pharmaceutical production
- Active and inactive ingredients
- Substances

PHARMA PACK – Packing and packing equipment

- Packing, capping equipment
- Packaging equipment for finished dosage forms
- Complex lines for the production of commodity products
- Labels and marking
- Packaging materials
- Polymer and glass containers
- Equipment for containers production

PHARMA LAB&Control – Laboratory and analytical equipment

- Analytical equipment
- Laboratory equipment
- Equipment for testing, measuring and control
- Tools and equipment for laboratories
- General laboratory (auxiliary) equipment
- Reagents and materials
- Laboratory glassware and consumable materials
- Providing biological research and clinical trials
- Instrumentation and equipment for quality control departments

PHARMA SOLUTIONS – Complex solutions for pharmaceutical enterprises

- Design and creation of complete infrastructure of pharmaceutical enterprise
- Engineering solutions
- Technological solutions
- Security and fire alarm systems
- Modern information technologies and transmission facilities

- Financial solutions

PHARMA CLEANTECH – Clean rooms technologies

- Clean rooms on a turn-key basis
- Equipment for sterilization
- Overalls for clean rooms
- Air purification equipment
- Equipment for sterilization
- Industrial cleaning and disinfection

PHARMA WATER – Technologies and equipment for water purification, water treatment in pharmaceutical industry

PHARMA COLD&CLIMA – Industrial refrigeration and climatic equipment for pharmaceutical enterprises

PHARMA SERVICE – Services for pharmaceutical Companies

PHARMA HR – Staff education and training

- Educational Institutions
- Trainings and seminars

NEW!

The official edition of the exhibition – **PharmaTechExpo Journal**

On the pages of the magazine - information about our exhibitors, their products and novelties, interviews with heads of companies, reports directly from the exhibition and many other interesting and useful materials for the pharmaceutical industry specialists.
